
Obituary.

Miss Annie Evans was born June 12th, 1867, died of diphtheria Nov. 20th, 1897. Age, 30 years, 5 months and 8 days.

She was converted and joined the M. E. Church in 1888, of which she lived a faithful member. Her faith in God was so strong and her hope of rest beyond the grave so bright that she was enabled to bear her suffering with great patience. She was fully prepared and ready to go when the Master said "It is enough, come up higher," and meekly and willingly she laid down the cross here below and joyously received a crown of everlasting life from the hands of her Savior.

Her remains were laid to rest in the Kirkland cemetery, Sunday morning, Nov. 21st, 1897. A FRIEND.
