## Loge Sigley Married.

J. L. Sigley has joined the grand army of benedicts, or else the arrangements to that effect have slipped a cog. Monday evening ye editor received a letter from Loge announcing the fact that he then had the necessary papers in his pants pocket authorizing him to get married to Miss Elsie O'Connor, the eldest daughter of Micheal O'Connor, one of the prominent farmers of Farmersville. The happy event was scheduled to take place at high noon yesterday, with Jesse Robb, of Virden, as best man, and Miss Nellie Gebhardt as bridesmaid, and we have every reason to believe that there was no hitch in the arrangements, so that now Logan is a married man and in need of the congratulations of those who have not yet embarked upon the matrimonial sea, while those who have started before him waft back their sympathies. The now happy couple will make their present home at 1403 East Jackson St., Springfield, in which city Loge has a position with Street Railway company.

### Sigley-O'Connor.

9-11-1901

Miss Elsie O'Connor and J. L. Sigley were united in marriage on Wednesday of this week at 12 o'clock noon. The ceremony was performed at the home of the bride at Farmersville and was witnessed by only a few of the friends and relatives of the contracting parties.

The bride is a daughter of Mr. and Mrs. Micheal O'Connor and is well known in the north part of this county. She comes from an excellent family and has many friends who join the News in extending congratulations. The groom is employed by the Springfield Street Car Company and the young people will make their home in that city.
